DESCRIPTION

International Lubricant Company's Super Gear LS 90 is an extreme pressure gear oil designed for mechanical transmissions both light and heavy duty vehicles. Formulated with high quality base oils and special EP-additives making this product suitable for the most rigorous operating conditions.

APPLICATIONS

ILC's Super Gear LS 90 has a broad application from automotive, agricultural machinery, civil and construction equipment. This gear oil is used in hypoid differentials under heavy-duty conditions and is the perfect lubrication for so called "Limited Slip" and Auto-Locking.

BENEFITS

- Excellent "Limited Slip" properties,
- Excellent resistance against oxidation.
- Very high activity against wear corrosion and foam.
- Outstanding EP-properties.
