## DESCRIPTION

International Lubricant Company's Top 10W-30 is a premium high quality synthetic blended engine oil that is designed for today's modern market engines which call for an ILSAC GF-5 rating. Using the latest additive protection technology this oil is well suited for the toughest driving conditions.

## APPLICATIONS

ILC's Top 10W-30 ILSAC GF-5 is designed for modern petrol and LPG vehicles including turbocharged, supercharged and Hybrid engines and systems that use Flexi-fuel, E10/E85 Ethanol fuels. Formulated with superior anti-sludge technology while providing fuel efficiency for a wide range of **Original Equipment Manufacturers** (OEM's) specifications.

## BENEFITS

- Fuel saving technology.
- Keeps engine clean.
- Lowers emissions.
- Multi fuel compatible.
- Extends engine life.
- Reduces engine wear.
