## DESCRIPTION

International Lubricant Company's Top Euro CI-4 15W-40 is a heavy duty diesel engine oil formulated using the ultimate protection additives that provides exceptional performance in hard working diesel engines used in on and off-road applications.

## APPLICATIONS

ILC's Top Euro CI-4 15W-40 is designed for vehicles from cars, light duty commercial vehicles to off-road 4WD and off-road machinery. This allows for extended oil drain intervals and to prevent wear of piston rings and cylinder-liners in all working diesel engines. Ideally suited for mixed fleet operations including construction, mining and agricultural machinery.

## BENEFITS

- High performance oil developed for long drain intervals
- Outstanding anti-wear properties to keep engines clean
- Safe lubricating film at very high temperatures to ensure good oil flow
- Effective protection against bore polishing

## APPROVALS & SPECIFICATIONS

API CI-4/SL

ACEA A3/B4 - E5/E7

Cat ECF-1-a/ECF-2

Volvo VDS-3

MTU Type 2

Mack EO-N/EO-M Plus

Global DHD-1
